MEMORANDUM FOR: [redacted] STAT  
Office of Congressional Affairs

FROM: [redacted] STAT  
Associate General Counsel  
Logistics & Procurement Law Division/OGC

SUBJECT: S 930: A Bill to Amend the Occupational Safety  
and Health Act of 1970 STAT

1. We have reviewed subject legislation provided by your office. The impact of S. 930 will be similar to many socio-economic programs currently implemented through government contracting activities. It probably will result in an increased cost to the government, but we find no unusual burden on the CIA intelligence collection mission that cannot be accomodated. [redacted]
